

Accounts Payable Team Leader

**Mt Wellington
Large Multi National
Parking**

The Company

Operating in more than 220 countries, this is truly a multi national. With well recognisable brands – this company will definitely provide opportunities going forward and is a great career stepping stone.

The company is a subsidiary of the overall brand and operates as one of 4 specialist divisions. Very customer centric – there are large contracts with customers and a lot of engagement with them in the course of business.

With very nice offices with a lot of space and close proximity to the motorway and Sylvia Park – this is a nice place to work and parking is provided

The Role

This role is newly created following a restructure and the outsourcing of the majority of the transactional team offshore. There is a 3rd party company completing the transactional processing – so a large portion of your role will be reviewing KPI's and analysis of the payables function, as well as checking payment runs and resolving queries etc.

You'll enjoy managing the receptionist and the people offshore doing the processing – this is a busy role and one that involves a lot of problem solving and interaction with different levels of the business and the 3rd party service provider.

Your Profile

You'll be very experienced in Accounts Payable with a minimum of 5 years experience in a medium to large organisation. Ideally, you'll have experience with a large ERP system and can show that you have thrived in a changing environment.

Your communication skills – both verbally and written are exceptional and form a key part of this role. You're looking for a well recognised and respected company where you can add value and deliver. You'll enjoy being a part of a new team and developing a new culture

Please note: Due to high levels of candidate applications, only those with an applicable background will be contacted.
