

## Credit Contoller

North Shore  
Immediate Start with ongoing potential  
Great Team Environment

### The Company

This large global organization is a NZ success story - there is a lot going on here as a result of their success! They are instantly recognized as an industry leader and as part of an international brand this business has very strong market presence and will provide a stable role for the right candidate.

### The Role

This is a great opportunity to join a fast growing successful company. They have a vacancy for an experienced Credit Controller. In this role you will be responsible for a large volume of reconciliations and customer accounts. You will be adaptable and be able to hit the ground running in a changing environment.

### Your Profile

You will have the following:

- exceptional written and oral communication
- a few years experience in the NZ office environment
- experience using large ERP systems
- the ability to pick things up quickly
- experienced in high volume reconciliations
- proven ability to reach targets and exceed expectations

You will be a positive, energetic and enthusiastic person. You are looking for an environment where you will be challenged and have opportunity to prove yourself. You are a team player who can roll up your sleeves and help out. Deadline driven, attention to detail and great work ethic are also important.

You are looking for a role to grow into and you are looking for funky, social, fast paced environment. Available immediately you are looking for a challenging role to get started immediately.

**Please note:** Due to high levels of candidate applications, only those with an applicable background will be contacted.
